THE ROCK - That's the name of a new elective Sunday School class that will be starting on September 25 and lasting about 3 months. It is designed for those who are new Christians, for those who have been Christians for a long time, and for those who want to know more about what we call Christianity. Any adult who is interested in the "what's and why's of our Christian faith" is invited to be a part of this group. Even if you are now a member of another Sunday School class, you might want to join this elective class and then return to your current class at the end of the course.

Greg and Luanna Carter will be teaching and taking the class through discussions of questions such as: Where did the Bible come from? Science and Faith - How is it that the laws of physics enter into God's way of loving us? What was the basis of Jesus' teachings? What should a Christian look and act like?

With the encouragement and support of the pastors and the Fellowship Sunday School Class, Greg and Luanna have been developing this course over the past several months. The Rock Class will meet at 10:15 a.m. (Sunday School hour) on Sunday mornings in the fourth classroom on the right downstairs under the sanctuary. If you have any questions, please see or call Greg (cell: 577-2398) or Luanna (cell: 305-2032), or you may talk with Pastor Dave or Art Rowe.

THE THURSDAY MORNING WOMEN'S

BIBLE STUDY GROUP will begin a new study on September 8. They will be studying the book of Ephesians with Max Lucado. Anyone who would like to join the group may contact Sandy Rowe to order a study book (884-4525). The ladies meet on Thursday mornings at 10:00 a.m. in Carson Hall. For more information contact Vickie Van Antwerp (877-5172).
